

ASCON POOL PRODUCTS NEWSLETTER

December 2008

Welcome

Hi and welcome to the Ascon Pool Products December Newsletter. The silly season is well and truly upon us.

At Ascon Pool Products we appreciate feedback on all that we do here. So if you have any questions, Comments, Suggestions or an Idea for a product that is long over due in the pool industry, feel free to contact us on the details below and let us know.

Remember!!

Christmas Shutdown

Ascon Pool Products will be closing for our Christmas shutdown from the 19th of Dec to the 12th of Jan 09.

There will be a skeleton staff during this time. The best way to contact them or send through orders is via either Fax: 02 9642 4955 or email:sales@asconpool.com

Merry Christmas and a Happy 2009

The Ascon Pool Products team would like to take this opportunity to thank you all for your continued support throughout 2008 I wish you, your staff and family all the very best for Xmas & New Year

HA HA HA HA HA HA.....

An elderly woman died last month. Having never Married, she requested no male pallbearers. In her handwritten instructions for her memorial service, she wrote, 'They wouldn't take me out while I was alive, I don't want them to take me out when I'm dead.'

December's Product showcase

MS3D-UD

What is it?

The MS3D-UD is a time based solar controller.

What is it for?

The benefit of the controller is that the heating temp is determined by a sensor on the inlet to the pump (up) and a sensor returning from the roof

(down).

Is it better than the MS3D?

This controller is completely different filling a position in the market that Ascon didn't have. The benefit now is that one can repair a solar controller without going on the roof.

How much are they?

The MS3D-UD is about the same price as the MS3D solar.

If you have any more questions on the controller please feel free to contact us on the details below.

Ascon Visits Piscine

Michael, James and Ruth headed over to Lyon, France to display at the Piscine Pool Fair, A lot of interested was generated in the products and services we have to offer, particular our chlorinator, led lighting and solar controllers.
